MR. CHAS. F. HASELTINE, having returned from Europe, is now prepared to exhibit to Art-lovers the finest COLLECTION OF PAINTINGS ever offered in Philadelphia for sale. The prevailing high prices abroad, and the unusual scarcity of works of the highest class, made it extremely difficult to gather a great collection, but Mr. HASELTINE is convinced that he has secured one that must please and gratify his friends and customers in this city. The Collection contains specimens of the works of the greatest of the world's Artists of this century. All those who love Art are especially invited to call and examine.
